

## 合わせて20になる計算

▶ 計算をすると20になるように四角に数字を書きましょう。

$10 + \square = 20$

$18 + \square = 20$

$5 + \square = 20$

$12 + \square = 20$

$17 + \square = 20$

$10 + \square = 20$

$15 + \square = 20$

$20 + \square = 20$

$19 + \square = 20$

$7 + \square = 20$

$14 + \square = 20$

$2 + \square = 20$

$8 + \square = 20$

$12 + \square = 20$

$3 + \square = 20$

$16 + \square = 20$

$1 + \square = 20$

$20 + \square = 20$

$11 + \square = 20$

$5 + \square = 20$

$18 + \square = 20$

$12 + \square = 20$

$19 + \square = 20$

$11 + \square = 20$

$17 + \square = 20$

$15 + \square = 20$

$13 + \square = 20$

$20 + \square = 20$

$10 + \square = 20$

$7 + \square = 20$

$18 + \square = 20$

$4 + \square = 20$

$12 + \square = 20$

$6 + \square = 20$

$11 + \square = 20$

$15 + \square = 20$

$19 + \square = 20$

$12 + \square = 20$

$0 + \square = 20$

$5 + \square = 20$

$18 + \square = 20$

$9 + \square = 20$

$8 + \square = 20$

$2 + \square = 20$

$12 + \square = 20$
